# H.37 PAYMENT OF BASE AND AWARD FEE

In the event the contractor self discloses a situation, and appropriately self-corrects the situation in a timely manner, fee reduction may be waived by the CO. The timeliness and effectiveness of the contractor's corrective action may also mitigate fee reductions for deficiencies identified by DOE or other regulatory entities.

The Contractor shall provide ten (10) copies and an electronic copy of its self-assessment of performance to DOE Contracts for distribution to DOE Performance Monitors.

While it is recognized that the determination of fee will be based on an independent government assessment, consideration will be given to the Contractor's monthly reports, self-assessment, and other available information.
